How it works

Our service is tailored to your needs. With network attorneys available in person, by phone, or by email and online tools to do-it-yourself or plan your next move — we make it easy to get legal help. And, you will always have a choice in what attorney to use. You can choose one from our network of prequalified attorneys, or use an attorney outside of our network and be reimbursed some of the cost.¹

Best of all, you have unlimited access to our attorneys for all legal matters covered under the plan. For a monthly premium conveniently paid through payroll deduction, an expert is on your side as long as you need them.

When you need help with a personal legal matter, MetLife Legal Plans is there for you to help make it a little easier.

For added protection, your spouse and dependent children are also covered.

Estate planning at your fingertips

Our newly redesigned website provides you with the ability to create wills, living wills and powers of attorneys online in as little as 15 minutes. Answer a few questions about yourself, your family and your assets to create these documents instantly.

Helping you navigate life’s planned and unplanned events.
